Where does my money go?

The Greater Manchester High Sheriff's Police Trust is a partnership of individuals, companies and voluntary or statutory agencies that are determined to make a contribution to Greater Manchester by supporting projects that reduce crime and the fear of crime in our communities. We believe that by working together we can find practical solutions to our crime challenges, and make Greater Manchester a better place to live and work.

How does it work?

For £1 per week you will receive ten numbers which will be entered into the draw each and every week. Joining could not be easier; just complete the form on the reverse indicating how many entries you would like and how you would like to pay. The winning numbers are computer generated each week and at least 50% of your entry fee will go to the GM High Sheriff's Police Trust.

What the players say:

Karl Brown and Simon Kerrigan are just two of the players to have come through the system to play for Lancashire at First Team level and in a statement they gave their backing to Lancashire Line. "Please support the Draw – not only will the benefits be of great help to your Club but they will also help the younger players of the future – just as they helped us in our development as LCCC players"
